SUBMISSION OF CORRECTED FORMAL DRAWINGS

Attn: Official Draftsman

Dear Sir:

This submission is filed in response to the Notice Regarding Drawings mailed February 10, 2004. The two-month time period for response fell on Saturday, April 10, 2004. Accordingly, this submission is being made on Monday, April 12, 2004. The Notice asserts that corrections must be made to Figures 2, 3, 14, 15, 17, and 18. This application was filed based upon WO 99/41803, which is PCT/GB99/00469. The application includes only Figures 1-4, however. Clean copies and copies of the PCT publication drawings are attached hereto.

Following receipt of the apparently incorrect Notice, the undersigned contacted the customer service representative for the appropriate Group, Winette Staker at (571) 272-1626 to call the error to the attention of the Office and to request further information on the application. Among other things, the issue fee was filed by check in this application nearly 22 months ago, on June 20, 2002, which check was cashed. Well over a year later, the deposit account of the undersigned was charged for the same issue fee again in January of 2004. Ms. Staker has now received the file and is presently reviewing the same. She has already stated that the Notice Regarding Drawings appears to have been made with regard to an incorrect set of drawings. Having not yet received a formal response regarding this file from the customer service representative, this submission is made to avoid inadvertent abandonment in the meantime, while the application is under review by the customer service representative. If corrections are required to the four drawings enclosed, please contact the undersigned.
